

Geothermal Controls

Specialty items -- that may be difficult to find elsewhere, but are essential in the installation of geothermal, forced air, and hydronic heating systems -- are readily available at Mid-American Energy.

Adjustable Check Valves
Pumps
Air Eliminators
Pump Modules
Aquastats
Reverse-Acting Pressure Switches
Contactors
Temperature Mixing Valves
Expansion Tanks
Time Delays
Hose Kits
Visual Flow Indicators
Inline Water Strainers
Water Solenoid Valves
Pete's Plugs
Zone Valves
